Welcome

to Beautique at Beauchamp

Come and experience the array of exciting treatments we offer in our beauty salon.

Beautique at Beauchamp is run as both a training centre for current students and as a working salon for qualified therapists. The salon is open to the local community as well as staff, students and parents.

Student treatments may take slightly longer than usual and this is reflected in the price. The student therapist will be supervised by the qualified therapist at all times.

* Not all of the Trainee Therapists can perform all of the treatments offered.

* All clients will be expected to have a thorough consultation with their therapists. If clients are having any tinting treatments, they must book in for a patch test at least 24hrs prior to appointment otherwise the treatment cannot go ahead.
