Dear Parents/Guardians,

This year we are working with Beauchamp College and the Lionheart Academies Trust to bring you a stimulating and exciting two week Summer Scheme to keep your children entertained and active this summer. The scheme will be running the week commencing Monday 31st July and will run from 9am-3pm daily. You can book your children in on a daily, weekly or two-weekly basis (see below for details).

The scheme is aimed at children from reception age right up to year 6 with activities tailored to each age group. Beauchamp staff will also be involved on designated days (to be confirmed) so that your children get a first-hand experience of all that Beauchamp has to offer! All activities are designed to complement the school's curriculum, ensuring that the children will continue to learn as well as having lots of fun. The types of activities will include:

Football, Cricket, Basketball, Dodge ball, Tennis, Rugby, Rounders, Dance, Crafts and much more.

All activities will take place in a safe fun environment, with the provision of first aid and all staff fully DBS/CRB checked. Dependent on numbers, some of the activities may be subject to change.

The cost of the Summer Scheme is:

- £16 per day per child or £65 for the whole week.

Parents must provide their child with lunch and a drink. Water bottles can be refilled during the day.

If you would like your child to take part in the Summer Scheme, please complete the online booking form following the instructions below:
