## Beauchamp College: Provider Access Policy

### 1. Introduction

This policy statement sets out the Trust schools/college arrangements for managing the access of providers to pupils for the purpose of giving them information about the provider's education or training offer. It sets out:

- Procedures in relation to requests for access
- The grounds for granting and refusing requests for access
- Details of premises or facilities to be provided to a person who is given access

### 2. Statutory requirements

Trust schools/college are required to ensure that there is an opportunity for a range of education and training providers to access students in years 8 to 13 for the purposes of informing them about approved technical education, qualifications or apprenticeships.

Schools must provide a minimum of 6 encounters with technical education or training providers to all pupils in years 8 to 13 (see more detail in section 2.1 below). One encounter is defined as one meeting/session between pupils and one provider.

Schools must also have a policy statement that outlines the circumstances in which education and training providers will be given access to these students.

This is outlined in section 42B of the [Education Act 1997](#), the [Skills and Post-16 Act 2022](#) and on page 43 of guidance from the Department for Education (DfE) on [careers guidance and access for education and training providers](#).

2.1. Trust schools/college will therefore provide at least 6 encounters as follows:

- 2 encounters for pupils during the 'first key phase' (**year 8 or 9**)
  - All pupils must attend
  - Encounters can take place any time during year 10, and between 1 September and 28 February during year 9
- 2 encounters for pupils during the 'second key phase' (**year 10 or 11**)
  - All pupils must attend
  - Encounters can take place any time during year 10, and between 1 September and 28 February during year 11
- 2 encounters for pupils during the 'third key phase' (**year 12 or 13**)
  - Pupils can choose to attend
  - Encounters can take place any time during year 12, and between 1 September and 28 February during year 13

These encounters must happen for a reasonable period of time during the standard school/college day. Trust schools/college can continue to provide complementary experiences, but encounters outside of school hours will not count towards these requirements.

Trust schools/college will ask each provider to provide the following information as a minimum:

- Information about the provider and the approved qualifications or apprenticeships they offer
- Information about what careers those qualifications and apprenticeships can lead to
- What learning or training with the provider is like
- Answers to any questions from pupils

## 2.2 Meaningful provider encounters

Our schools/colleges are committed to providing meaningful encounters to all pupils using the Making it Meaningful Checklist. ([https://resources.careersandenterprise.co.uk/sites/default/files/2021-03/1207 - meaningful\\_encounters\\_checklist\\_1.pdf](https://resources.careersandenterprise.co.uk/sites/default/files/2021-03/1207 - meaningful_encounters_checklist_1.pdf))

Meaningful online engagement is also an option, and we are open to providers that are able to provide live online engagement with our pupils.

## 3. Pupil entitlement

All pupils in years 8 to 13 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies, group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.
