Lionheart Educational Trust

## Admissions Policy 2027-2028

Review period  
Next review due

**Annual**

Responsibility for the admission of students rests with the Lionheart Educational Trust. The administration of applications to the college is undertaken by Leicestershire Local Education Authority.

All applications for places at the college will be considered in line with the arrangements set out below.

### **Admissions to Year 7 – Entry in September 2027**

Published Admission Number (PAN) for Year 7 is 330

Should the number of pupil applications exceed our admission number, then places will be allocated in accordance with the oversubscription criteria.

### **Applications**

Applications are made to the Local Authority in which you reside, through their on-line admission process. If your application is received after the closing date (normally 31/10 in the academic year before transfer) your application will be viewed as late.

Late applications will be considered in accordance with the Local Authority's Secondary Transfer Co-ordinated Scheme, which can be accessed [here](#).

The Local Authority may request information from you relating to verification of your application for a secondary school place. For example, proof of address if residency is unclear. False information, or omission of material information, may result in disqualification, or the loss of a place after it has been offered. The length of time a child has been attending the school will also be taken into account and a place will only be withdrawn if the child has attended the school for under one year.

Decisions informing applicants of the outcome of their application will be sent out by the Local Authority on national results day in early March. Parents/carers will then be required to accept or decline the place.

### **Appeal Procedure**

Parents/carers who are unsuccessful will be given the opportunity to appeal against the decision to an Independent Appeal Panel set up in accordance to the statutory provisions in force at the time. Appeals for Beauchamp College are led by Leicestershire Local Education Authority. The decision of the appeal panel is binding to all parties. Full details of the appeals procedure will be sent to parents/carers with the decision letter on National offer day.

### **Waiting List**

In addition to the right to appeal, unsuccessful applicants will automatically be placed on a waiting list, determined in accordance with the over-subscription criteria. Vacancies arising between the acceptance deadline and the 31 December of the year of entry will be offered according to the order on the waiting list. The waiting list will be re-ranked in accordance with the oversubscription criteria every time another pupil applies to the school.

### **Children with Education Health Care Plans**

All children with an EHCP where the school is named will automatically be provided with a place at the school.

## **Chronological Age Admission**

The vast majority of children are educated in the year group determined by their date of birth. Paragraph 2.18 of the School Admissions Code does, however, allow parents to request that their child is educated outside of their normal age group; for example, if their child is gifted or talented or has experienced problems such as ill health. If a parent / carer wishes to request that their child is taught out of year group they should submit their request to Beauchamp College along with their reasons. Parents are encouraged to do this ahead of the relevant closing date for applications. Parents may also wish to submit other information in support of their request; for example, from professionals who have worked with their child. Each request for a child to be taught out of year group will be looked at on an individual basis with all available information considered. Any decision taken will be on the basis of what is in the child's best interests. Decisions as to whether or not a child is educated out of year group will be taken by the admission authority. Parents will be notified once a decision is reached along with the reasons for the decision.

Parents' statutory right of appeal against or refusal of a place at the school does not apply if they are offered a place at the school but it is not in their preferred age group.

## **Over-subscription Criteria**

If there are too many requests, priority will be given to children whose parents applied on time, in the following order:

1. Looked after Children and Previously Looked after Children (see note i).
2. Children who have a sibling already attending the college at the time of admission, including siblings in Years 7–11 or in the Sixth Form (see note ii).
3. Children who live in the catchment area – [Map](#)
4. Children of members of staff (teaching and support staff) on a permanent contract. (See note iii).
5. Children living nearest to the college measured in a straight-line distance from the centre point of the property to the school's main designated front gate, using a computerised geo coded mapping system.

## **Notes**

- I. A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. 'Previously looked after children' are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). Further references to previously looked after children means such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after and those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

Children who were adopted under the Adoption Act 1976 and children who were adopted under section 46 of the Adoption and Children Act 2002.

Child arrangements orders are defined in section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

- II. 'Siblings' means two or more children who have at least one parent in common and who reside in the same home as one another. Where a child has been legally adopted, he or she will be regarded as the sibling of any other children with the same legal guardian, all of whom reside in the same household.
- III. Admission authorities may give priority in their oversubscription criteria to children of staff in either or both of the following circumstances:
  - Where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; and/or
  - The member of staff is recruited to fill a vacant post at the school for which there is a demonstrable skill shortage.

Where a child lives for part of the week with one parent and for part of the week with the other parent, the address recognised by the Academy for the purposes of an application for a school place is the one where the child lives that is the address where the child permanently spends at least three 'school' nights (that is, Sunday, Monday, Tuesday, Wednesday or Thursday) will be taken to be the place of residence.

Where the weekly residence arrangement varies, and a child stays with both parents, on average, for the same amount of time during the school week over a four-week period, and one parent lives in another school catchment, the parents will be required to choose one address for the purposes completing a school application. If those with parental responsibility are unable to agree on the preferences, it may be necessary for parents to obtain further legal advice. Leicestershire Local Authority on behalf of the academy will continue to process an application unless legal documentation is provided that states an application cannot be processed or a pending court hearing. In cases where multiple applications are received for the same child, Leicestershire Local Authority on behalf of the academy will establish where the child lives for the majority of the time. Where parents cannot agree a single address, parents will be required to seek a Court Order to determine which address is to be used. Where any claimed residence arrangement is found to be false, and the child is yet to start at the allocated school, the place will be withdrawn as it will be considered obtaining the school place on fraudulent and / or misleading grounds. In such circumstances the application will be considered afresh and determined at that time based on the correct information.

### **Tiebreaker**

Within a category, should PAN be reached, distance from the school will be used to decide who has the highest priority for admission. On the rare occasion where the distance between two

children's' homes and the school is the same a process of random allocation will be used as a tie break. This process will be independently verified.

### **In Year Admissions**

Applications for vacancies that arise outside the normal annual admission round for Year 7 will be considered at any time during the year. Information and application is through Leicestershire Local Authority. Lionheart Educational Trust may refuse to admit an in-year transfer where the admission of another child would prejudice the provision of efficient education or efficient use of resources.
